

STRETTON ON DUNSMORE PARISH COUNCIL

WCC Mineral Strategy

The Minerals Local Plan (Publication document) was presented at Cabinet on Thursday 6th October 2016 to seek approval to consult under Regulation 19 of the Town and Country Planning (Local Planning) (England) Regulations 2012. Consultation is scheduled to take place between Tuesday 6th December 2016 and Tuesday 31st January 2017. More information is available at <https://www.warwickshire.gov.uk/mdf>
Once the Parish Council has formulated its considered response and has submitted it within the time frame, it will be uploaded to the village website.

Street Lighting

The street lamps within the village are the responsibility of the Parish Council, so if there is a fault with one please email princethorpeclerk@gmail.com reporting the type of fault (e.g.: not lighting up) and location (e.g.: outside No 8 School Lane). Helpfully, some of the lamp posts have numbers attached to them so noting this would also be of use. The Parish Clerk will then report it to E.ON who should visit the site within 7 days. It would be helpful to know if the fault has **not** been repaired after 7 days so the Parish Clerk can follow it up.

Remembrance Sunday

Thanks to everyone who attended the laying of the wreath at Gallipoli Island on Sunday 13th November 2016.

AED

Thanks to the fundraising efforts of Stretton's First Responders, and their coordination with the Parish Council the village now has one 'active' Automated External Defibrillator (AED) located on the exterior of the village hall. By the end of January a further two AEDs will be installed within Stretton, one in a locked cabinet on Rugby Lane and the second at Knightlow School. A huge thank you to everyone who donated towards the purchase of the AEDs, especially Stretton WI and Julie Gibson (in memory of the late Olive Reading) who both made significant contributions to the fund.

Please note there will not be a Public Parish Council Meeting in December so... the Parish Council wishes you all a very Happy and Healthy Christmas!

The next public Parish Council meeting will be held on **Monday 9th January 2017 at 7.30pm** at Knightlow School. The agenda will be available on the website and noticeboard 7 days in advance.
