### **New Amenities**

The telephone in the red booth has been removed and is now an information and book exchange. There are a few books in there already, but please feel free to load up the shelves with more books. The village handyman will repaint it in the spring and fit new signs but please be assured there will be no attempt made to straighten the much loved 'leaning phone box of Stretton'. Please do keep it tidy and enjoy this new community resource.

A decision has been taken to create a small, discrete power point on/near the Village Green. It will only be accessible by request to the Parish Council but there to support all community events when required i.e.: Village Fete, Duck Race and Christmas Fayre.

### **Acknowledgements**

The Parish Council would like to express its thanks to the children of KCP who created the lovely poppies which adorned the Village Green on and around 11<sup>th</sup> November. The church and grave yard also looked beautiful, so thanks to Rev Ali, the PCC and all those who contributed to the brilliant display.

Thanks also to the Scouts who kindly organised a working party to remove a ring of ivy from some of the Parish Council owned trees on Plott Lane and tidied up the area by removing a lot of the dead wood and bracken.

*Finally, the Parish Council wishes you all a very Merry Christmas and a Happy New Year!*

**The Parish Council's next public meeting will be on 14<sup>th</sup> January 2019 at 7.30pm in Knightlow School.**
