

## **STRETTON-ON-DUNSMORE PARISH COUNCIL**

### **Speed Watch**

The half-barrel planters on the mini round-a-bout at the bottom of Church Hill, have been installed to encourage vehicles to drive around the island (rather than over it) thus slowing the traffic down, while also providing a floral display in the village centre. Wheelie bin stickers are still available free of charge from the Parish Council.

### **Forthcoming Road Works/Closures**

There are some roadworks scheduled to take place in and around the village over the coming months. Full details are available from WCC website but in brief: -

### **Amenities**

The telephone booth is now up and running as a community library and has lots of books with in it. Please do keep it tidy and enjoy this new community resource.

All the equipment in the skate park will be resurfaced and tidied up before Easter this year and therefore for maybe be closed for a few days, but we will keep you informed of these dates. The track around the playing field is being well used by a great many people, and dogs are welcome in the field provided owners keep them under close control and pick up their poo! There is a dog waste bin with the car park, as well as another two on Plott Lane so please use them... there is no such thing as the dog poo fairy.

Early plans and costing are being discussed to revamp the pavilion at Fosse Way and improve the car parking up there. If you are interested in being involved in the development of this project you would be most welcome.

Our talented handyman, Mark, has created some large planters and installed them at each of the gateways to enhance the entrance to our beautiful village.

We are lucky to live in such a lovely place, with so many great amenities, the Parish Council encourages you to support our local businesses whenever you can.
